DARE For Men™

Courage is not an absence of fear.

As John Wayne said: "Courage is being scared to death... and saddling up anyway."

Courage means never letting your actions be influenced by your fear. Men of courage are needed to stand up and speak for what is right, to lead strong families, and to hold on through the storms that come within marriage and life.

A strong man, serves others, shows kindness and compassion, walks with honor and integrity and lives courageously. A courageous man journeys with God and uses everything he has to champion life's challenges with love and sacrifice. The DARE for Men collection celebrates this kind of man.
