# Little One

Children are a blessing from God. Human life is of invaluable worth and significance in all its dimensions and a special gift to a family. Quality time taken with your little one can be some of your most precious memories.

Divine Romance is excited to share our exclusive line of specially chosen all-natural, hypoallergenic products for babies, that you can use with confidence. The Little One line of products bears the name of the original Latin, 'Fetus' which is translated, Little One. So with our Little One products, we celebrate the significant worth of human life, and especially the life of Little Ones and the precious moments spent with your little one.

*"For You created my inmost being; You knit me together in my mother's womb. I praise You because I am fearfully and wonderfully made." Psalm 139:13-14*
